## Manufacturer Provided Description

The jury said: "European Yacht of the Year 2015". We say: that comes as no surprise! That is because you would be hard pressed to find another sailing yacht in its class that offers more space, more comfort, more luxury if you want it, and is also this easy to handle. One special feature: if you would like to make 4 cabins out of the 3-cabin version, the huge forward cabin can be transformed into two smaller cabins in just a few steps. Clever and innovative – like everything from BAVARIA.
