## Manufacturer Provided Description

Lagoon 39 : the new Lagoon generation in 39'

The Lagoon 39 filiation with the new Lagoon generation is apparent on first sight: vertical, bevelled bows, aft centered mast for sailing performance and ease of handling ... a strong character indeed!

Lagoon expertise

infusion-moulding for increased weight saving (important for a catamaran), an optimal structure, and greater protection for the environment and shipbuilders

interior woodwork in Alpi® reconstituted wood, a sustainable source

vertical glazing for better protection against the sun and optimal space and headroom

gull-wing bridge deck for greater comfort in heavy seas

wide choice of layouts including 2, 3 or 4 cabins

VPLP design: performance under sail guaranteed!

Exterior: comfort and safety

a simple, efficient deck layout allows to control the main maneuvers from the steering station, and for an easy and protected boarding

broad sidedecks, with recessed deck hatches

the cockpit is well protected and comfortable, with a wide crossing passage aft, a dining table to port and a settee to starboard and a direct access to the steering station from the cockpit AND from the deck.
