Manufacturer Provided Description

xx Whether you want to spend time with family and friends on the open seas or set forth on a solo cruise, the BAVARIA CRUISER 33 was designed to satisfy your every need. Besides excellent sailing performance, the CRUISER 33 offers you unexpectedly generous space in the cockpit and – more importantly – below deck. Here the crew will find a saloon so comfortable and spacious that they would be forgiven for thinking they were sailing a much larger yacht – as many journalists have already commented during testing of the CRUISER 33. Farr Yacht Design and Design Unlimited have worked hard to maximise interior volume and ergonomics above deck, across the entire range, and the CRUISER 33 is testament to this design brief from the BAVARIA yard.
