Manufacturer Provided Description

Evolution of the famous Dufour 410, the Dufour 412 Grand Large places herself among the flagships of the Grand Large range. For this 2016 millesime, Dufour Yachts engineers and Felci Yachts Design have as project guideline to integrate all functionalities thus far reserved to bigger sized yachts.

Ambitious challenge skillfully executed, this starts with the optimization of the exterior spaces. The new closed cockpit by its aft seats conceals a fully equipped exterior galley with barbecue, sink and refrigerator. This new layout, at once functional and securing, allows to take advantage of the entire cockpit, and makes the boat more spacious.

The Dufour 412 also benefits from new equipments for always more pleasant navigations, in particular the fixed bowsprit to simplify the mounting of downwind sails.

With her new look and her new equipments, the Dufour 412 rejoices of all the attributes of an exceptional yacht, and naturally places herself among the upscale level in her category.
